## Youth Ministry Track

Our **Youth Internship** focuses on training, challenging and equipping interns to serve and minister to 6<sup>th</sup> -12<sup>th</sup> grade students. Through this track, you'll have opportunity to deepen your personal relationship with Christ while learning the fundamentals of a youth ministry. Throughout this program, you'll build on your God-given gifts and abilities, develop relationships with students and volunteers, and strengthen your team building and leadership skills as you gain hands-on experience in everything from welcoming students to organizing events, leading groups and ministering inside and outside the church.

This is sure to be an amazing experience for you where you'll not only gain ministry experience but create lifelong memories and lasting friendships!
